Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT (Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Agency for Substance Abuse Prevention, Inc. as of September 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses on page 12 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2014

NOTE A – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Agency for Substance Abuse Prevention, Inc. (the Organization) was incorporated as a substance abuse prevention education agency dedicated to providing services to parents, students, employees, affected individuals and their families in Calhoun and Cleburne Counties of Alabama. The Organization is governed by a Board of Directors. Terms expire each year for three members and officers serve for a one-year term, but may be re-elected for an additional term.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Revenue is recognized when earned and expenses are recorded when incurred.

Basis of Presentation

The Organization follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification: FASB ASC 958-210-50 (formerly SFAS No. 117). The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

The Organization also elected to adopt FASB ASC 958-300-50 (formerly SFAS No. 116). In accordance with FASB ASC 958-300-50, contributions are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence or nature of any donor restrictions. Donor restricted support is reported as an increase in the temporarily or permanently restricted net assets depending upon the nature of the restrictions. As the restrictions expire or conditions of restrictions are satisfied in the year of donation, the assets are recorded as unrestricted.

**NOTE A – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES –
Continued**

Basis of Presentation - Continued

- Unrestricted net assets of the organization represent revenues and expenses related to the operation and management of the Organization's primary programs and supporting services.
- Temporarily restricted net assets represent resources available for use, but expendable only for the purposes specifically stated by the donor.
- Permanently restricted net assets are permanently restricted by the donor. There are no permanently restricted net assets.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents .

Income Taxes

Agency for Substance Abuse Prevention, Inc. is incorporated under the laws of the State of Alabama as a non-profit corporation and is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code for not for profit entities . No provision for income taxes is reflected in the financial statements.

Capital Assets

The capitalization policy is to capitalize assets with a life of over one year and a cost of \$500 or more. All fixed assets are recorded at historical cost, or if donated, fair market value at the date of donation. Depreciation is provided, using the straight-line method over the estimated useful life of the related asset. Repairs and maintenance are expensed as incurred. The following useful lives are used in determining depreciation:

Estimated	<u>Useful Life</u>
Furniture & Fixtures	7 years
Office Equipment	5 - 7 years

Planned Major Maintenance Activities

If major maintenance will extend the life of a capital asset, the cost of maintenance is then capitalized. If major maintenance will not extend the life of a capital asset, then the cost of maintenance is expensed.

Revenues and Support

Revenues of the Organization consist mostly of grants received from the Alabama Department of Mental Health / Mental Retardation. The Organization recognizes the revenue based on either a fee for services provided or cost reimbursement, whichever applies.

Contributions of non-cash assets are recorded at their fair values in the period received. Such donations are reported as unrestricted support unless the donor has restrictions regarding their use for a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Expenses

The costs of providing Organization programs and the administration of the Organization have been summarized on a functional basis in the Schedule of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Date of Management's Review

Subsequent events have been reviewed through issuance date of the report.
